Recent Grants Received

Thank you to the Central Florida Foundation's Winter Park Community Foundation Fund for the \$10,000 grant for our Circles Stabilization Program! We are so excited to partner with your foundation to make a difference in the lives of families in Central Florida.

Family Promise received a grant to house five veteran families per year and provide the case management.

FPGO has received funding to provide case management and life skills training to homeless youth ages 18-24, many of whom have or are expecting children.

No Place Like Home Breakfast

Thank you to everyone who attended our annual fundraising breakfast. The inspirational morning highlighted some of our amazing client families and their journeys toward stability. We reached our goal and have collected over \$240,000 in gifts and pledges with additional funding still coming in.

We are so grateful for YOU!

Night Without A Bed

In October, we hosted our annual Night Without A Bed awareness campaign. Thank you to all of those who joined in. While we know that spending the night in a place not traditionally meant for sleeping does not sum up the challenges many of the families we serve face, it presents a unique opportunity to have a glimpse into their reality and help raise awareness of the multitude of issues they face.
